The minutes of the regular meetings on June 11, 2026, were approved. Motion to accept by William Feocco. David Morris second. All in favor. Motion carried.

Communications:

- There is a training seminar in Mattydale on August 24th. John, William, David and Heather will attend.

New Business:

- John Komarisky made a motion to appoint Jill DelloStritto to fill the commissioner seat vacated by Gordon Bowen through the end of 2026. Jill received the second highest number of votes in the last election. Second David Morris. All in favor. Motion carried.
- Isaac Heating and Air was out to service the air conditioner at Co#1. They cleared the drain line with John's assistance, but the tech ignored the error code that was showing on the unit. They scheduled a second service call to recharge the unit and take care of the error code. The district was charged \$685.13 which includes two separate service fees of \$129.95 plus the PM Agreement Spring Visit fee of \$820.58. Commissioners discussed finding another servicer as this seems excessive. Jason will get John some names of companies that service split units and John will look into that.
- Landscaping cleanup discussion.
- Discussion with regard to the repair/replacement of the roof at Co#2. Preliminary estimate is over \$100,000.00 to strip, repair and reseal.

Old Business:

- The porch enclosure to replace the damaged awning is still in progress with a fall completion date by Scenic Vista Builders.
- Chief Holmes is still waiting for a quote from Verizon to replace Spectrum.
- The Rescue #1 repair is progressing. The truck body is at Colden and scheduled for repair this month or the beginning of next month.
- The Invero 2025 audit is complete.
- 2025 LOSAP information is still pending.

Deputy Chair: William Feocco

- No report

Chief Report: Sean Holmes

- The department responded to 46 calls in June, bringing the total for the year to 321.
- Most physicals are completed with the usual 4 or 5 that still need to be done.
- The electronic sign is working great. Chief Holmes is looking to see if it can be dimmed in the evenings as it is so bright.
- Jerome took care of the fire extinguishers inspections yesterday. The district will not need them to do the Ansel system in December as Sanford Burtis has already done that (on this warrant).

The July Warrant for \$126,825.79 was approved. Motion to accept by William Feocco. David Morris second. All in favor. Motion carried.

Meeting adjourned 8:12 PM. Motion by David Morris. Second by William Feocco. All in favor. Motion carried.
