John Komarisky called the meeting to order at 7:31 PM.

Financial Reports and Bank Statement reviewed by Board members.

Lens Report: three.

Approval of Agenda: Motion by David Morris to accept. Second, Urson La Sagna. All in favor. Motion carried.

The minutes of the regular meeting on June 12, 2025, were approved. Motion by Urson La Sagna. Second by David Morris. All in favor. Motion carried.

Communications:

New Business:

- The fire extinguishers at Co#1 and Co#2 were inspected today. Two of them needed to be refilled.

Old Business:

- Discussed the awning on the west side of the building. District is still waiting for quotes.
- The new door locking hardware has been received for both Co#1 and Co#2. A motion was made by Urson La Sagna to accept the quotation from Pink Rose for the installation of the system on August 8th for \$1,331.00 - \$1,132.00 for installation plus \$199.00 for a thirteen-month membership. The membership provides a 15% discount on all work and free estimates for any future work as well as a three-year warranty on services provided. David Morris seconded. All in favor. Motion carried.
- A new RFP for the electronic sign will be drawn up by Heather and sent to Urson for review. The new closing date on this revision will be August 13th. This revision requests signage for Co#2 only, built on the existing base and using the existing topper with electric supplied by the district.
- Heat run at Co#2 will be discussed at the next meeting.
- Chief Holmes would like to replace 45 chairs at Co#1 and will bring options and pricing to the next meeting.
- LOSAP paperwork will be available by the August meeting date.

Deputy Chair:

- No Report.

Chief Report: Sean Holmes

- The department responded to 55 calls in June for a year-to-date total of 340.
- Mr. Adams was contacted for coverage on a basketball hoop. The liability insurance on the premises would cover any unauthorized individuals. Injuries sustained by any volunteers need to be covered under their personal health insurance.
- Northside has been contacted with regard to the Engine #2 roof leak. They are remarkably busy and will reach out to Brandon when they can.
- The department would like to discuss a turnout gear lease to address the new OSHA standard of two sets per volunteer. Currently, the district replaces four to five sets per year. A lease would put everyone in the same gear at one time. Urson would like details on what the lease supplies, and if there is some degree of serviceability and warranty written into the lease. Chief Holmes will discuss with the department and bring this back before the board.
- The AED pads are expired and will need to be replaced at \$130.00 per set.
- The new mobile radios are out for programming. Set-up and installation should be complete by the August meeting.

The June Warrant for \$117,522.60 was approved. Motion to accept by Urson La Sagna. Second David Morris. All in favor. Motion carried.

Meeting adjourned at 8:20 PM. Motion by Urson La Sagna. Second, David Morris. All in favor. Motion carried.

Respectfully Submitted,

Heather Christopher
